Mr. David Doyle  
Air and Waste Compliance Branch  
U.S. EPA  
324 East 11th Street  
Kansas City, Missouri 64106

Subject: Response to EPA Notice of Violation Received  
as Result of RCRA Inspection of the GMAD-Leeds  
Plant on September 9, 1982

Dear Sir:

The notice of violation received as a result of subject inspection  
has been reviewed by our Management.

We will immediately take the corrective action required to purchase  
and have available the placards as required under the regulation  
cited, ( CFR 262.33).

If you should need additional information in this matter, please  
contact Larry Pemberton of my staff at 281-7388.
